IPMS  
Eagle Squadron

**Join us for another model show & contest!**

IPMS Eagle Squadron is proud to present RDUCON2024. The show and contest will feature 2 buildings for the event: building 1 (left) for the main contest and right next door building 2 (right) as a separate space available for vendors.

# Same Venue, Same Great Event!

This year's event features an expanded category list and two dedicated buildings at the American Legion Post 116. Building 1 is reserved for the contest and building 2 will be used for our vendors.

Unlike past shows, this event has no restrictions on the number of models that you can enter and we're also featuring 3 special themes this year:

80<sup>th</sup> anniversary of D-Day

60<sup>th</sup> anniversary of the Ford Mustang

Space the Final Frontier! (Real space and sci-fi are both eligible)

For a full list of categories, plus contest rules, eligibility, guidelines, registration and model entry forms, visit our website [www.ipmseaglesquadron.org/minicon-2024](http://www.ipmseaglesquadron.org/minicon-2024)

Here's the breakdown:

**\$15** For the first 5 models

**\$1** For each additional model

**0** Model limit per person

\*Additional categories may be created prior to contest at the discretion of the contest committee. See website for the latest. Head judge reserves the right to create limited category splits.

## American Legion Post 116 6400 Johnson Pond Rd, Fuquay-Varina, NC 27526

Highway 401 to the stoplight at Mill Creek. Turn on to Mill Creek Drive

Turn right at first intersection (4-way stop) on to Johnson Pond Road.

The American Legion Post is approximately 7 tenths of a mile on the left

**PLEASE NOTE:** Because this event's venue is located just outside of the main town of Fuquay-Varina, it is suggested to google map from your specific location to ensure the best route.
